GR Sweden meeting in Linköping

in memory of Brian Edgar (1945-2010)

The GRSweden meetings are irregularly held conferences organized under the auspices of the Swedish Relativity Society (*sektionen för gravitation*). The aim is to gather people to discuss General Relativity and related subjects.

This meeting is held in Linköping 19-21 May, and is dedicated to Brian Edgar who passed away last year.

Invited speakers

Alan Barnes, Great Britain

Alfonso García-Parrado, Portugal

Malcolm Ludvigsen, Great Britain

Marcos Maia, Brazil

José Senovilla, Spain

Estelita Vaz, Portugal

James Vickers, Great Britain

SEKTIONEN FÖR GRAVITATION gathers people interested in the physics of gravity and the theory of relativity. The purpose is to strengthen Swedish research in relativity and to provide a national forum for meetings and discussions.

Organizers: Magnus Herberthson & Luba Kulesh
